Hope Award

OUT OF THE OFFICE: MAY 27, 2016

More than 200 attendees, including corporate and nonprofit leaders in the Boston area and local elected officials, attended Project Hope's 13th annual Rise & Shine Breakfast at the Boston Harbor Hotel. This year's program included the presentation of the first Sister Margaret Leonard Hope Award. She stepped down as executive director in 2015 after 30 years of service. The award was presented to Project Hope trustee/board member John Markey, pictured at center. Flanking him are Sister Margaret Leonard and Project Hope Executive Director Linda Wood-Boyle.
